MAY | 2022

Hello adventurers! As we turn the page of the calendar to May, I am hopeful that spring like temperatures will soon arrive. Did you know that May is named after the Greek goddess Maia who looked after plants? I trust that the rain we experienced in April will help bring to life the flowers in our yards and gardens.

It was nice to see many of you at the Fraud Seminar in February. If you were unable to attend and haven't had the opportunity to watch the recording I encourage you to do so. A link to the video can be found on the bank website: [www.citizensmn.bank/inspire/media-center](http://www.citizensmn.bank/inspire/media-center)

I am looking at dates in September or October to reschedule the Craft Brews Cruise. Watch for the new date to be published in the August newsletter.

Below are the up coming trips. **Sign up will begin Thursday, May 19.** I anticipate *Footloose* will fill quickly. You may e-mail me at [ldummer@citizensmn.bank](mailto:ldummer@citizensmn.bank) or call 800-549-0194 to sign up. Please see the note regarding attendance at Chanhassen Dinner Theater.

**NOTE!** For those wishing to sign up for the musical *Footloose*, the theater still requires proof of vaccination or a negative test within 72 hours of the performance.
