Citizens BANK MINNESOTA

The Nationwide Mortgage Licensing System and Registry (NMLS) is the legal system of record for licensing in all participating states, the District of Columbia and U.S. Territories. In these jurisdictions, NMLS is the official and sole system for companies and individuals seeking to apply for, amend, renew and surrender licenses managed in the NMLS on behalf of the jurisdiction's governmental agencies. NMLS itself does not grant or deny license authority. NMLS has a consumer access site (http://www.nmlsconsumeraccess.org/) for you to look up all Mortgage Loan Originators. This site contains licensing/registration information on mortgage companies, branches and loan originator professionals licensed by state regulatory agencies participating in NMLS. Citizens Bank Minnesota's institution ID is 480312. Listed below are the bank's registered Mortgage Loan Originators (MLO) and their NMLS MLO registration numbers.
